

Essential: Getting Back to the Basics
Pt 4: Faith Alone

Rom 10:17 ESV So faith comes from hearing, and hearing through the word of Christ.

Discipleship Questions

1. This week we discussed that faith is our response to God's revelation. That means that faith is not blind or foolish but is birthed out of God giving us knowledge. How does this definition influence our understanding of faith? How might you use this understanding to share your faith with others?
2. Sometimes we're tempted to take unnecessary risks as a demonstration that we're people of faith. Given that faith is our response to God's revelation what does it mean to live as a person of faith? How does this impact how you are living today? What avenue(s) has God given us to receive His revelation?

Guided Prayer

- Praise God as the sovereign Creator of the universe and thank Him for His continued grace.
- Ask God to reveal more of Himself through His Word. Also, ask Him to grow your faith and ability to trust Him as you respond to His revelation.
- Ask the Holy Spirit to guide you so that you can learn to clearly communicate the reason you are a Christian.
- Pray for leaders at the national, state, county, and city levels. Also, pray for our church leadership as they determine how to reengage in-person services at Trinity.
