Discipleship Questions

1. James and John seek positions of honor with Jesus. When the other disciples get upset over this request, Jesus shares that greatness in the Kingdom of God is not centered on being revered but serving others. How is Jesus' statement different than how you have previously considered what it means to be a person of status? What does it look like for you to live into this new understanding of greatness?
2. What are three things that you can do now that fulfill Jesus' call to greatness (i.e., servant leadership)? What will it cost you to engage these endeavors and how can you plan accordingly?
