Discipleship Questions

1. Before Judas' act of betrayal, he was a disciple of Jesus. This change in character reveals that something happened inside of Judas that caused him to see Jesus differently. What things (i.e., experiences) tempt you to look at Jesus differently? What spiritual practices have you implemented to combat these temptations? If none, what could you begin doing today?
2. Dietrich Bonhoeffer taught that God wants to be the center of our lives. Meaning, our lives should flow out of a relationship with Jesus. Idolatry is anything that takes God's place in our life. Is God the center of your life, or has an idol taken His place? If so, what would it look like to remove that idol and make Jesus the center of your life?
