#### Discipleship Questions

1. John writes that when our prayers align with God's will, we can be confident that He both hears and answers us. As you reflect on your prayer life, is there anything you have been asking God to bless that may be contrary to His will? How can you be assured that your prayers align with God's will for your life?
2. James tells us that God grants our prayers when we pray with selfless motives. As you reflect on your reasons for praying, what does it reveal about God's promise to answer them? In light of this, how might God be challenging you regarding your pursuits?
