

Rockin' Around the Christmas Tree
Pt 1: A Song of Trust

Scripture: Luke 1:46-55

Discipleship Questions

1. Mary risked everything to embrace the call God put on her life. As we discover in her song, she could do this because she trusted that God was bigger than her circumstances. As you reflect on Mary's song, what feelings arise in you? How might Mary's song influence your willingness to "risk everything" for God?
2. Faith, similar to how a muscle grows stronger over time when exercised, also increases the more it is engaged. What steps might God want you to take today to grow deeper in your faith? Are you willing to take those steps? If not, why?
