Discipleship Questions

1. Scripture refers to the church as the body of Christ, with Jesus being the head. Given that imagery, if a person were to separate themselves from the body, what would happen to their relationship with the head? If an individual were to separate themselves from the body, what would happen to the church's ability to fulfill its mission? How do your answers influence your role in the local church?
2. While scripture stresses the importance of unity within the church, unfortunately, many have experienced the opposite. Have your actions caused any disunity in the church? If so, what might God be calling you to do to bring forth healing and solidarity?
