

A World Upside Down
Pt 12: Pray Like Jesus

Scripture: Matthew 6:7-13

Discipleship Questions

1. Jesus taught His disciples a model of prayer to help them grow deeper in their relationship with God the Father. This model of prayer is called the Lord's Prayer and centers on praise, surrender, and trust. How can you use these three themes of the Lord's Prayer to guide your prayers?
2. To cultivate a vibrant prayer life, we have to be deliberate about spending time with God. Do you intentionally set aside time to spend with God for Scripture reading and prayer? If not, why? What changes can you make going forward to be more deliberate regarding growing deeper in your relationship with God?
