

The Battle

Scripture: Romans 7:14-25

Discipleship Questions:

1. We see the rich young ruler going away sad, because he was unwilling to let go of his possessions. He wanted a relationship with Jesus, but the pull of comfort and his possessions outweighed his decision to follow Jesus. What is something in your life that you are holding onto, or placing above your faith, that is causing you to miss out on living fully devoted to Christ?

2. Have you taken the time to step back, recognize your shortcomings, repent, and turn from sin towards Jesus? If not, take some time today to evaluate your faith life, look for areas that need God's guidance, and seek Jesus in those areas. Pray for God to search your heart, and reveal anything that is not bringing you closer to Him.
