

The Church in Action
Pt 3: Seeking God Together

Scripture: Acts 1:12-14

Discipleship Questions

1. As you reflect on your relationship with Jesus, is prayer an area you would like to develop further? If so, what are some practical steps you can take to cultivate a lifestyle of prayer?
2. Think about a time when you thought you were doing God's will, but things did not turn out well. How much time did you spend beforehand in prayer? What lessons can you take from this experience to improve future endeavors?
